

# AIRBRUSH

## ArtWrap™ Stretched Canvas

Masterpiece Airbrush Canvas is a one of a kind. This canvas is very smooth and the surface of the canvas is treated with a special coating especially suited for airbrush techniques like frisket and masking. Airbrushing on canvas offers an ideal way to generate realistic looking images and very sharp lines and detail. Stretched in the ArtWrap style, this product is ready for painting and will provide the best canvas surface possible for airbrush artists.

### ArtWrap™ Stretching Style

- Our Airbrush canvas is made from poly/cotton canvas, and is very smooth
- Triple primed canvas with a special top coat making it perfect for the airbrush techniques of frisket and masking.
- Artwrap™ Stretching Systems offers a clean and neat appearance
- Canvas will not slip because the spline cord is reinforced with additional staples under and on top of the spline cord
- Re-tensionable using Tight'n'Up™ Liquid Canvas Re-tensioner
- Acid-Free, pH Neutral, Archival Sizing
- Also, suitable for Oil and Acrylic Paints
- Hand Tailored Corners & Staple-Free Edges
- Suitable for Frame-less Display
